

The 23rd annual Northwest Wine Summit had another successful year that included many award-winning entries. The Summit was again held in two phases. The first phase was held in Penticton, British Columbia at the Okanagan College's Wine Sensory Center on April 22nd and 23rd. This panel judged Canadian wines, meads, ciders, and spirits. The second phase was held at the Columbia Gorge Hotel located in Hood River, Oregon on April 29th through May 1st. This panel judged wines, ciders, meads, and spirits from Canada and the United States.

We want to thank our judges and backroom staff. We believe this was the best year ever. Thank each of you for making the Northwest Wine Summit a premier wine judging competition.

As many of you know Parks Redwine, the founder of the Northwest Wine Summit, died on June 3, 2018. His illness developed during this year's competition. He did travel with us for both phases but was unable to participate during the Oregon phase. A special thank you from us to those who helped transport Parks to the hospital in British Columbia. Parks communicated with us, the staff of the Northwest Wine Summit, each day of the competition. Parks founded the Northwest Wine Summit in 1996, he truly loved the northwest and he championed their wines and producers at each opportunity. We will miss him.

The current team that manages the Northwest Wine Summit and the Redwine family plan to continue this competition. We will incorporate memorial awards in the honor and memory of H. Parks Redwine. We thank you for your continued support of the Northwest Wine Summit and we look forward to the 2019 competition.

Cheers—

The Northwest Wine Summit Team

Michelle Schreck
Matt Mullinax
Christy Dart
James Shannon Jr.
